

Nicki's Market style hand cut Steaks

Our Hand Cut Market Style Steaks are aged for maximum flavor, we do not salt them nor season them, we only brush them with real butter at the end of Broiling. Steaks are served with your choice of Baked Potato, Steak Fries or Tomato Basil Risotto. We recommend our Gluten Free Baked Potato Soup that we make in house as a Introduction, ask your server for a sample, then order it **LOADED** with Sour Cream, Bacon, Cheddar, Chives & Monterey Jack cheese. Enjoy!

Rib Eye Steak*

12 OZ Choice Hand Cut Rib-eye Steak Charbroiled to your desired temperature then brushed with real butter. The Rib Eye is a more flavorful steak because it contains fat. If you want a lean steak, we recommend that you order the NY pictured on the left. \$ 24.95

The Porterhouse*

My personal favorite steak, this one is not hand cut in our kitchen due to the center bone as it would require a band saw. These steaks are specially cut for us to our specifications and are aged for maximum flavor. The Porterhouse is essentially two steaks in one, on the one side it is the Fillet on the other side of the T style bone it is a New York. This steak is 22 oz full of flavor and great for sharing! This is a TRUE Porterhouse not a T bone called a Porterhouse, which means that the ultra tender Fillet side is quite large compared to a T bone. Cooked to your desired temperature and brushed with real butter. \$ 34.95
